## Sprint 1

- User Registration
- User Login
- Bank Login

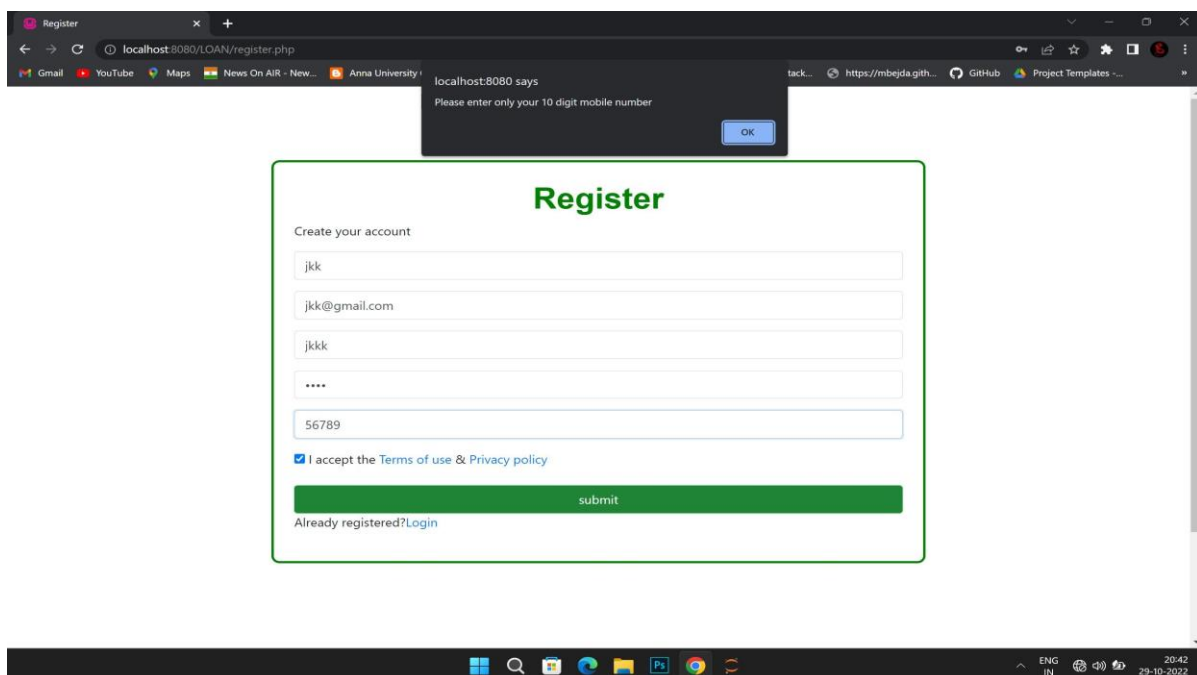

## User Registration:

The screenshot shows a web browser window with the URL `localhost:8080/LOAN/register.php`. The page displays a registration form titled "Register" in green. The form includes the following fields and elements:

- Create your account** (header)
- Enter your name
- Enter your emailID
- Enter your username
- Enter your password
- Enter your mobile number
- ☐ I accept the [Terms of use & Privacy policy](#)
- (green button)
- [Already registered? login](#)

## Registering with invalid details:

The screenshot shows the same registration form as above, but with an error message displayed above the form. The error message is: "localhost:8080 says Please enter only your 10 digit mobile number". The form fields are filled with the following values:

- jkk
- jkk@gmail.com
- jkkk
- \*\*\*\*
- 56789
- ☒ I accept the [Terms of use & Privacy policy](#)
- (green button)
- [Already registered?Login](#)

Empty submission:

The screenshot shows a web browser window with the address bar displaying `localhost:8080/LOAN/register.php`. The page title is "Register". The form is titled "Create your account" and contains the following fields: "Enter your name", "Enter your emailID", "Enter your username", "Enter your password", and "Enter your mobile number". A red error message "Please fill out this field." is displayed next to the "Enter your emailID" field. Below the fields is a checkbox labeled "I accept the Terms of use & Privacy policy" which is checked. At the bottom of the form is a green "submit" button and a link "Already registered?Login". The Windows taskbar at the bottom shows the time as 20:43 on 29-10-2022.

Successful Registration:

The screenshot shows the same web browser window, but the URL now includes a success message: `localhost:8080/LOAN/register.php?success=Successfully%20Registered%20!%20Now%20you%20can%20login`. The form is titled "Create your account" and contains the same fields as before. A green success message "Successfully Registered ! Now you can login" is displayed at the top of the form. The checkbox "I accept the Terms of use & Privacy policy" is now unchecked. The "submit" button and "Already registered?Login" link are still present. The Windows taskbar at the bottom shows the time as 17:38 on 29-10-2022.
